***DIVE CLASS IMPORTANT THINGS TO KNOW***

We do not have hidden add on fees, such as advertising \$345, then adding fees for course materials (\$129), rental equipment (\$99), etc.

- Course Cost is \$549. Refunds are not offered. Fee does not include 2-day admission to Dutch Springs (\$45/day); travel, meals, or personal dive gear (see below).
- You are expected to own your mask, snorkel, fins, boots, and log book; which costs approximately \$270 (plus sales tax), all are available from Like 'da Fish. **You must have a watch, rated for at least 100 meters (Target, Walmart, etc.)**
- All other required equipment will be provided, for use during the class, unless you are outside of our size range. In such cases, we can guide you on how to purchase any needed equipment.

### **REALLY EXCITED ABOUT DIVING!!!!**

ASK US ABOUT OUR CLASS AND EQUIPMENT PROGRAM,  
YOU CAN SAVE BIG \$\$\$ if you decide to purchase dive equipment during the COURSE.

#### **The following are some important considerations:**

- Jr Diver certification is available for 10-14 year olds, while full certification requires the student to be at least 15 years of age. Call to discuss, other restrictions apply. Students UNDER 18 must bring a legal guardian with them to sign registration paperwork. Additionally, those under 18 must have a legal guardian present during water sessions or readily available in the area.
- Being a comfortable swimmer is a requirement before diving begins. You should be able to tread water for 10 minutes (it's easy, can you float?); Swim comfortably for several laps (220 yards) (it's not a race SLOW DOWN), and swim under water.
- The academic portion of the course includes self-study and instructor led learning. Diligence to studying course material is required. Access to the internet is required.
- Mastering the subject matter and skills of scuba diving are largely dependent on you. You must be willing to accept the risks and responsibilities for your own actions.
- Certification will only be provided when a student proves competency as a safe diver. If more training time is needed to reach that competency, additional fees will apply. **No Refunds.**

**STOP – Before making any payment or registering for the class; you must review, sign, and return our risk statement, liability waiver, medical history forms, sizing information.**

**It is critical that you immediately:**

- Review the enclosed medical waiver COMPLETELY. If you need to answer yes to any question, your physician must provide approval for the course, without restrictions required.
- Review all other documents carefully.
